Betr.: Handelsabkommen Polen/SBZ 1949 - Vorschlag für Liefertermine.

Die Polnische Delegation hat bisher nur den Wunsch, Verträge über Dieselloil, Buna und Mersol abzuschliessen. In den Fällen Mersol und Buna muß der Lieferbeginn verschoben werden, weil erst rückständige Lieferungen derselben Ware erledigt werden müssen und bei Buna über das Exportkontingent bereits ausverkauft ist. Für alle übrigen Fälle bestehen nach Angabe der Polnischen Delegation noch Unklarheiten, die von polnischer Seite geklärt werden müssen, bevor die Verträge abgeschlossen werden könnten. Der nachstehende Lieferplan musste deshalb für diese Waren ausschliesslich unter dem Gesichtspunkt der Liefermöglichkeiten aufgestellt werden. Es ist infolgedessen mit Verschiebungen zu rechnen, sobald erst Verträge vorliegen. Die Abstimmung mit Frl. Ing. Smirnowa wird morgen erfolgen.

Report of the Foreign Trade Administration

Berlin 4 April 1949

~~Subject: Trade agreement Poland/SBZ 1949 - Secretary~~

Subject: Trade agreement Poland/SBZ 1949 - Proposal for a schedule of deliveries

~~The~~ Up to the present, the Polish delegation desires only to conclude agreements covering diesel oil, Buna and Mersol. With regards to Mersol and Buna, the time scheduled for the first delivery must be postponed due to the fact that back orders of these materials must first be completed. Also, with regards to Buna the export quota is already filled. With regards to all other materials, there still exists, according to the statement of the Polish delegation, a lack of agreement which must be clarified on the Polish side before the agreements can be concluded. The plan for deliveries covering these materials therefore had to be specially drawn up keeping in mind the feasibility of making deliveries. In consequence count on the possibility of changes, as soon as the first agreements have taken place.

The voting with Fraulein Ing. Smirnowa will take place tomorrow.
